Perpetual responds to Pental's announcement

Perpetual Limited (Perpetual) (ASX:PPT) refers to Pental Group Limited's (Pental) (ASX:PDL) announcement today and confirms it is currently in high-level, preliminary, confidential discussions with Pental in relation to a potential acquisition.

The discussions are not sufficiently advanced to warrant any further disclosure to shareholders at this time. Further, there is no certainty that the discussions will lead to any future agreement.

In addition, in response to inaccurate media speculation, should there be a transaction, no equity raising would be required nor would there be private equity involvement.

Perpetual will keep the market informed in accordance with its continuous disclosure obligations.
