Sydney, Australia, 25 August 2022 - Pendal Group Limited (ASX: PDL) (**Pendal**) today announces it has entered into a Scheme Implementation Deed (**SID**) with Perpetual Limited (ASX: PPT) (**Perpetual**) under which Perpetual will acquire 100% of Pendal shares by way of a Scheme of Arrangement (**Scheme**).

The Scheme consideration (**Scheme Consideration**) comprises 1 Perpetual Share for every 7.5 Pendal shares plus \$1.976 cash for each Pendal share. The cash consideration of \$1.976 per share will be reduced by the amount of any final dividend paid to Pendal shareholders for the six months ending 30 September 2022.

¹ Pendal shareholders will also have the flexibility of a mix and match option under the Scheme where they are able to elect maximum cash or maximum share Scheme Consideration, subject to applicable caps.

² Based on Perpetual's closing share price of \$34.23 and Pendal's closing share price of \$4.48 on 1 April 2022, being the last trading day before Pendal announced the receipt of the initial conditional, non-binding indicative proposal from Perpetual on 4 April 2022.

³ Based on Perpetual's closing share price of \$30.30 as at 24 August 2022.

Pendal's Board unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an Independent Expert Report concluding (and continuing to conclude) that the Scheme is in the best interests of shareholders.

Pendal Chair Deborah Page AM said: "Pendal's Board is pleased with the improved proposal received from Perpetual, which is the result of extensive engagement between our companies. The Scheme has the Board's unanimous support and is strongly supported by our investment teams."

"The Scheme Consideration recognises the value Pendal has created as a home to some of the most respected investment talent in the world, with sustainable and impact investing capability and an impressive global distribution footprint," she said.

Compelling strategic rationale

"We have always been confident in our ability to grow Pendal's business across our key markets organically; however, the combination of the two businesses delivers a significant increase in scale, an enlarged and enhanced global distribution team, greater product capabilities, expertise and diversity, and global ESG

leadership. All of this will enable us to achieve our strategic goals sooner while, at the same time, achieving an attractive valuation via the improved proposal for Pandal shareholders,” he said.

Pandal’s culture of investment autonomy and its well-regarded Pandal, J O Hambro, TSW and Regnan brands will be retained, and Pandal’s clients will continue to experience the same investment approach and teams across each brand. The combined group will be well placed to:

- Deliver greater diversification of products and expanded distribution footprint;
- Leverage capabilities of two recognised leaders in ESG and responsible investment that will be readily able to respond to clients’ growing interest in this area;
- Achieve benefits of greater scale across distribution, technology and infrastructure globally;
- Increase the impact from recent investments in new teams, data and analytics, marketing, client service, technology and infrastructure; and
- Attract more top-ranking investment talent to support the combined group’s multi-brand growth strategy.

Recommendation

The Board of Pandal unanimously recommends that Pandal shareholders vote in favour of the Scheme, in the absence of a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Pandal shareholders. Subject to these qualifications, each Pandal Director has confirmed that they intend to vote any shares that they hold or control in favour of the Scheme.

Key details of the SID

Pandal and Perpetual have entered into the SID, which sets out the terms and conditions on which the Scheme will be implemented and associated matters.

Pandal shareholders will have the flexibility of a mix and match option under the Scheme where they are able to elect maximum cash or maximum share Scheme Consideration, subject to applicable caps. The maximum available cash represents approximately 32.8% of the total consideration pool available for the Scheme.

The implementation of the Scheme is subject to various conditions, including:

- Obtaining all required regulatory approvals, including from the Financial Conduct Authority in the United Kingdom, Central Bank of Ireland, Monetary Authority of Singapore and the making of US antitrust filings;
- Receipt of required client consents and approvals;
- An independent expert issuing an Independent Expert’s Report concluding that the Scheme is in the best interests of Pandal shareholders;
- Pandal shareholder approval of the Scheme;
- Court approval of the Scheme;
- No material adverse change or prescribed event (each as defined in the SID) occurring in relation to either Pandal or Perpetual; and
- Other customary conditions.

The Scheme is not subject to a financing condition.

The SID contains reciprocal customary exclusivity provisions (including “no shop”, “no talk”, due diligence restrictions and a notification obligation). A reimbursement fee and a reverse reimbursement fee (each in an amount of 1% of total Scheme Consideration) have also been agreed between Pandal and Perpetual.

The exclusivity arrangements which apply to Pental are subject to customary exceptions that enable the directors of Pental to comply with their fiduciary duties in the event of a competing proposal.

A full copy of the SID, including all applicable terms and conditions, is attached to this announcement.

Next steps

Pental shareholders do not need to take any action at this stage.

A Scheme Booklet will be sent to shareholders ahead of the Scheme Meeting. The Scheme Booklet will contain important information relating to the Scheme and the Scheme Meeting, the rationale for the Pental Directors' recommendation to shareholders, and the Independent Expert's Report opining on whether the Scheme is in the best interests of Pental shareholders. The timing for the Scheme Meeting is to be determined, however it is currently expected to be held in either December 2022 or early 2023 subject to the timing of receiving regulatory approvals and client consents.

Shareholders will be able to vote on whether to approve the Scheme.

3.2 Benefit of certain Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by a party entitled to the benefit of that Condition Precedent as noted in the table set out in Schedule 3 and may only be waived by both parties together where it is

expressed to apply for the benefit of both parties. A waiver will be effective only to the extent specifically set out in that waiver.

- (c) there is no occurrence that would prevent the Condition Precedent for which it is a party responsible being satisfied.

3.5 Regulatory matters

Without limiting clause 3.4, each party:

- (a) **(Regulatory Approvals and notifications)** must promptly apply for all relevant Regulatory Approvals and make all other notifications to Regulatory Authorities for which they are responsible and take all steps it is responsible for as part of the approval process, including responding to requests for information at the earliest practicable time;

in each case before 8.00am on the Second Court Date. For the avoidance of doubt, nothing in this clause 3.9 affects the obligation of Pental to pay the Reimbursement Fee, or the obligation of Perpetual to pay the Reverse Reimbursement Fee, if it is required to do so under clause 12 or clause 13 (as applicable). A party will not be entitled to terminate this document pursuant to this clause 3.9 if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party (although in such circumstances the other party may still terminate this document).

3.10 Regulatory Approval

A Regulatory Approval will be regarded as having been obtained notwithstanding that a condition or conditions may have been attached to that Regulatory Approval if that condition is agreed by Pental and Perpetual (acting reasonably) in accordance with clause 3.5(c).

4 Transaction steps

4.1 Scheme Consideration

- (a) The Scheme Consideration to be provided in respect of each Pental Share is as described in the Scheme.
- (b) Each Scheme Participant is entitled to receive the Scheme Consideration in respect of each Pental Share held by that Scheme Participant, in accordance with the terms of this document, the Scheme and the Deed Poll. Such Scheme Consideration will be received in the form of either the Maximum Cash Consideration, the Maximum Scrip Consideration or the Standard Consideration, in accordance with the election process outlined in clauses 4.2 and 4.3 and in the Scheme.
- (c) Subject to clauses 3.1 and 16 and the terms of the Scheme, Perpetual undertakes and warrants to Pental that, in consideration for the transfer to Perpetual Sub of each Pental Share held by a Scheme Participant under the terms of the Scheme, on the Implementation Date Perpetual will:
 - (i) procure that Perpetual Sub will accept that transfer; and
 - (ii) provide to each Scheme Participant the Scheme Consideration for each Pental Share in accordance with the terms of this document, the Scheme and the Deed Poll.

4.2 Scheme Consideration election mechanism

- (a) Pental must ensure that the Scheme Booklet sent to Pental Shareholders is accompanied by a form of election (**Election Form**) under which each Pental Shareholder is requested to elect to receive

either Maximum Cash Consideration, Maximum Scrip Consideration or Standard Consideration in respect of all of their Pandal Shares, and which sets out the election process, including that if no election is made the Pandal Shareholder will be taken to have elected to receive Standard Consideration.

- (b) The Election Form must include the relevant matters set out in the Scheme and must otherwise be in a form agreed by the parties in writing.
- (c) Pandal must procure that, to the extent practicable, Pandal Shareholders who acquire Pandal Shares after the date of the despatch of the Scheme Booklet and Election Form receive an Election Form on request to Pandal.

4.3 Provision of election updates and Pandal Share information

- (a) In order to facilitate the provision of the Scheme Consideration, Pandal must provide, or procure the provision of, to Perpetual:

 - (i) there are no outstanding Pandal Employee Rights; and
 - (ii) all FLE Shares will be convertible into (restricted and unvested) Perpetual Shares rather than Pandal Shares.
- (c) In order to comply with its obligation under clause 4.4(b), Pandal must, in accordance with the Pandal Employee Rights Rollover Proposal to the extent it is determined by Perpetual and Pandal that any Pandal employee should be subject to an offer under the Pandal Employee Rights Rollover Proposal and the relevant employee accepts an offer under the Pandal Employee Rights Rollover Proposal in respect of its Pandal Employee Rights, but otherwise at the discretion of the Pandal Board:
 - (i) cause some or all of the outstanding Pandal Employee Rights to vest and, following such vesting, cause the relevant number of shares in Pandal to be transferred in sufficient time to allow the

relevant former holders of the relevant Pandal Employee Rights to participate in the Scheme; and

- (ii) take such action as may be necessary to forfeit, cause to lapse or cancel (as applicable), on or before the Effective Date, any outstanding Pandal Employee Rights which it does not cause to vest in accordance with clause 4.4(c)(i).

4.5 No amendment to the Scheme without consent

Pandal must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Perpetual.

 - (iii) any other matters as the parties may agree from time to time.
- (d) The parties acknowledge and agree that:
 - (i) the Transaction Implementation Committee is a discussion and planning forum only, and the members of the Transaction Implementation Committee do not have power to bind the other party or to give any consent, approval or waiver on behalf of such other party;

- (iii) the business of each party will continue to operate independently from the other until the Implementation Date; and
- (iv) nothing in this document constitutes the relationship of a partnership or a joint venture between the parties.

5.3 Access to people and information

(a) Between (and including) the date of this document and the Implementation Date, Pental must, and must cause each other Pental Group member to, subject to the Protocols, afford to Perpetual and its Related Persons reasonable access to information, including financial, tax and other information, (subject to any existing confidentiality obligations owed to third parties, appropriate consents in relation to which Pental must use all reasonable endeavours to obtain) of any member of the Pental Group, or such senior executives of Pental as reasonably requested by Perpetual at mutually convenient times, and afford Perpetual reasonable co-operation (including, in the case of 5.3(a)(iv), access to Pental Group's auditors and accountants) for the purpose of:

- (viii) Perpetual will focus on material issues, having regard to management commitments and the impact of information requests on Pental's business;
- (ix) providing access or information pursuant to this clause does not result in unreasonable disruptions to Pental's business, require Pental to make further disclosure to any other entity or Government Agency or require the disclosure of any document that would compromise Pental's legal professional privilege;

- (x) nothing in this clause will require Pental to provide information concerning Pental's directors and management's consideration of the Scheme or any Competing Transaction (but this proviso does not limit Pental's obligations under clause 11); and
 - (xi) Pental may provide to Perpetual its records at a place other than Pental's business premises.
- (b) Between (and including) the date of this document and the Implementation Date, Perpetual must, and must cause each other Perpetual Group member to, subject to the Protocols, afford to Pental and its Related Persons (including any Independent Expert) reasonable access to information (subject to any existing confidentiality obligations owed to third parties, appropriate consents in relation to which Perpetual must use all reasonable endeavours to obtain) of any member of the Perpetual Group, or such senior executives of Perpetual as reasonably requested by Pental at mutually convenient times and afford Pental reasonable co-operation for the purpose of:

 - (vii) nothing in this clause will require Perpetual to provide information concerning the formulation or consideration of the Scheme or any variation to it; and
 - (viii) Perpetual may provide to Pental its records at a place other than Perpetual's business premises.
- (c) Nothing in this clause shall require cooperation to the extent that it would:
- (i) cause any Conditions Precedent to not be satisfied or otherwise cause a breach of this document; or
 - (ii) require a party to take any action that would reasonably be expected to conflict with or violate the parties' constituent documents or any law.

5.4 Right to separate representation

Perpetual and Pental are entitled to separate representation at all Court proceedings relating to the Scheme. Nothing in this document is to be taken to give Pental or Perpetual any right or power to make or give undertakings to the Court for or on behalf of the other party without that party's written consent. Perpetual and Pental must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Scheme as contemplated by this document.

6 Pental Board recommendation

6.1 Board Recommendation

Pental must procure that, subject to clause 6.2:

- (a) the Pental Board members unanimously recommend that Pental Shareholders vote in favour of the Scheme at the Scheme Meeting in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report that the Scheme is in the best interests of the Pental Shareholders; and

6.2 Change of recommendation

- (a) Pental must procure that none of its directors withdraws, adversely modifies, qualifies or changes their recommendation in favour of the Scheme, unless:

 - (ii) Pental has received a Superior Proposal,and, in either case, Pental has complied with its obligations under clause 11 and the Pental Board determines in good faith and acting reasonably, having received expert advice in writing from its legal advisors (who must be reputable advisers experienced in transactions of this nature), that they must do so because of their fiduciary or statutory duties to Pental Shareholders.
- (b) For the purposes of this clause 6.2(b), customary qualifications and explanations contained in the Scheme Booklet in relation to a recommendation to vote in favour of the Scheme to the effect that the recommendation is made in the absence of a Superior Proposal from a third party will not be regarded as a failure to make or withdraw the making of a recommendation in favour of the Scheme.

6.3 Notification of intention to withdraw or change of recommendation

Without limiting clause 11 or the preceding provisions of this clause 6, if circumstances arise, including the receipt or expected receipt of an unfavourable report from the Independent Expert which may lead to a member of the Pental Board withdrawing, adversely modifying, qualifying or changing its recommendation in accordance with clause 6.2:

- (a) Pental must notify Perpetual in writing immediately; and

- (b) the parties must consult in good faith after the notification in paragraph (a) is given to consider and determine whether the recommendation in place at the time can be maintained.

- (ii) is not, having regard to applicable disclosure requirements, misleading or deceptive in any material respect (including because of any material omission).

8.2 Content of Scheme Booklet

Pendal must:

- (a) **(consult Perpetual)** promptly prepare the Scheme Booklet and consult with Perpetual as to the form and content of the Scheme Booklet, which includes:
 - (i) allowing Perpetual a reasonable opportunity to review and make comments on each successive draft of the Scheme Booklet;
 - (ii) taking the comments made by Perpetual into account in good faith when producing a revised draft of the Scheme Booklet;
 - (iii) providing Perpetual revised drafts of the Scheme Booklet within a reasonable time before the Regulator's Draft is finalised to enable Perpetual to review and comment on each of those drafts and any final Regulator's Draft at least 2 Business Days before its submission; and

- (b) Pental is responsible for the Pental Information contained in the Scheme Booklet and is also responsible for the information contained in the Scheme Booklet provided by Pental to Perpetual or obtained from Pental's public filings on ASX regarding the Pental Group contained in, or used in the preparation of, the information regarding the Perpetual Group following implementation of the Scheme, which will include the Pental Group; and
- (c) the Independent Expert has provided and is responsible for the Independent Expert's Report, and that neither Perpetual nor Pental assume any responsibility for the accuracy or completeness of the Independent Expert's Report.

8.5 Disagreement on content

If Perpetual and Pental disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form of the Scheme Booklet. If complete agreement is not reached after reasonable consultation, then:

- (a) if the disagreement relates to Perpetual Information, Perpetual will make the final determination as to the form and content of the Perpetual Information; and
- (b) in any other case, the Pental Board will, acting in good faith, decide the final form or content of the disputed part of the Scheme Booklet.

8.6 Verification

Each party must undertake appropriate verification processes for the information supplied by that party for the Scheme Booklet.

9 Conduct of business

9.1 Obligations of both parties

- (a) Subject to clause 9.3, from the date of this document up to and including the Implementation Date, and without limiting any other obligations under this document, each party must:
 - (i) conduct its businesses and operations, and must cause each Pental or Perpetual Group member to conduct its respective business and operations, in the ordinary and usual course consistent with the manner in which each such business and operations have been conducted in the 12 month period prior to the date of this document;

 - (A) preserve and maintain the value of their respective businesses and assets;
 - (B) keep available the services of their directors, officers and employees; and
 - (C) maintain and preserve their relationships with Regulatory Authorities, customers, suppliers and others having business dealings with any Pental Group member (in the case of Pental) (including, in the case of Pental, and without limiting the obligations under clause 3, using reasonable endeavours to obtain consents from third parties to any change of control provisions in contracts and in any other contracts or arrangements to which a member of the Pental Group is a party which Perpetual reasonably requests) or Perpetual Group member (in this case of Perpetual).
- (b) From the date of this document up to and including the Implementation Date:
 - (i) Pental must ensure that no Pental Prescribed Event and no specific requirement event under clause 9.2(a) occurs; and
 - (ii) Perpetual must ensure that no Perpetual Prescribed Event occurs,

in each case, to the extent that such Pental Prescribed Event or Perpetual Prescribed Event is in the control of Pental or Perpetual, respectively.

9.2 Specific requirements for Pental

- (a) Without limiting 9.1 above, and subject to clause 9.3, from the date of this document up to and including the Implementation Date, Pental must not:
 - (i) **(material contracts)** enter into or terminate any contract material to the conduct of the Pental Group's business or which involves expenditure of more than \$2,500,000 over the term of the contract;

- (v) **(legal proceedings)** settle any legal proceedings, claim, investigation, arbitration or other like proceedings (excluding any Excluded Claim) where the amount claimed exceeds \$500,000;

 - (i) which expressly is required by this document or the Scheme;
 - (ii) which has been agreed to in writing by the other party;
 - (iii) which is Fairly Disclosed in the Disclosure Materials of that party as being an action that Pandal or Perpetual (as applicable) will carry out between (and including) the date of this document and the Implementation Date, provided however that this exception does not apply to clause 9.2(a)(viii); or
 - (iv) which is taken in the ordinary course of Pandal's or Perpetual's business in its fiduciary capacity as responsible entity, trustee or manager or otherwise acting on behalf of any third party trust, client portfolio or fund.

For the avoidance of doubt, it would be unreasonable for Pandal to decline to co-operate with Perpetual's broker to seek to obtain the run-off insurance on substantially equivalent or no less favourable terms than

Pendal's current policy, and to enter into such a run-off policy if available from a reputable insurer at a materially lower cost.

- (c) Nothing in this clause 9 restricts the ability of Perpetual to respond to a Perpetual Major Transaction in accordance with clause 11.
- (d) From the date of this document until the Second Court Date, unless the other party agrees in writing, Pendal and Perpetual (as applicable) will promptly notify the other of anything of which it becomes aware that:
 - (i) makes any material information publicly filed by it (either on its own account or in respect of (in the case of Pendal) any other Pendal Group member or (in the case of Perpetual) any other Perpetual Group member) to be, or reasonably likely to be, incomplete, incorrect, untrue or misleading in any material respect;
 - (ii) makes any of the Pendal Representations and Warranties or any of the Perpetual Representations and Warranties (as applicable) false, inaccurate, misleading or deceptive in any material respect; or
 - (iii) may, or may with time, constitute (with respect to Pendal) a Pendal Material Adverse Change, Pendal specific requirement event under clause 9.2(a) or Pendal Prescribed Event or (with respect to Perpetual) a Perpetual Material Adverse Change or Perpetual Prescribed Event (as applicable).

10 Releases

10.1 Pendal directors and officers

- (a) Perpetual releases its rights, and agrees with Pendal that it will not make a claim, against any Pendal Indemnified Party (other than Pendal) as at the date of this document in connection with:

- (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

except where the Perpetual Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 10.2(a) limits Pental's rights to terminate this document under clause 16.

- (a) neither it, nor any of its Related Bodies Corporate nor their Representatives is in negotiations, discussions or other communications with any person in respect of any actual, proposed or potential Competing Transaction or any transaction that would, or would reasonably be expected to, lead to a Competing Transaction; and
- (b) it, any of its Related Bodies Corporate and their respective Representatives has ceased to provide or make available any non-public information in relation to the Pental Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Transaction, and has enforced all rights it has to call for the immediate return or destruction of that non-public information previously provided or made available to any Third Party.

- (d) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.3.

Nothing in this clause 11.3 prevents Pental from continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course of its business.

11.4 Fiduciary exception

Clause 11.3 does not apply to the extent that it restricts Pental or its Related Persons in relation to an actual, proposed or potential bona fide Competing Transaction provided that such Competing Transaction has not arisen as a result of breach of clause 11, and the Pental Board, acting in good faith, has determined:

- (a) after consultation with Pental's external legal and Financial Advisors, that the Competing Transaction is a Superior Proposal or could reasonably be expected to become a Superior Proposal; and
- (b) after receiving written advice from Pental's reputable external Australian legal advisers specialising in the area of corporate law that compliance with clause 11.3 would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the directors of Pental.

11.5 Notification of approaches

During the Exclusivity Period, if Pental receives (i) any actual, proposed or potential Competing Transaction from a third party or (ii) a member of the Pental Board, the company secretary or other group executive or Pental's Financial Advisors becomes aware of any negotiations or discussions in relation to, or any approaches or attempts to initiate any negotiations or discussions in relation to an actual, proposed or potential Competing Transaction, Pental must as soon as practicable (and in any event within 24 hours) give Perpetual notice of:

provided as soon as practicable (and in any event within 24 hours of the modification or development));

- (c) the identity of the person making the proposal (and, if different, details of the proposed bidder or acquirer); and
- (d) any determination by Pental that it can rely on clause 11.4 in relation to any action or inaction relating to the actual, proposed or potential Competing Transaction, discussions or approach.

11.6 Matching right

 - (iv) the Competing Transaction has not arisen, or been furthered, as a result of Pental's breach of clause 11.2 or 11.3;
 - (v) Pental has provided Perpetual with a notice stating that it is given for the purposes of this clause 11.6 and setting out all material terms and conditions of the Competing Transaction;
 - (vi) Pental has given Perpetual at least 5 Business Days after complying with its obligation to provide the notice and information referred to in paragraph (v) (**Relevant Period**) to provide a proposal that is superior to or no less favourable than the terms of the Competing Transaction; and
 - (vii) the Pental Board determines that Perpetual has not provided a proposal that is superior to or no less favourable overall than the terms and conditions of the Competing Transaction (having regard to matters including, but not limited to, consideration, conditionality, funding, certainty, counterparty identity and reputation, deal protections and timing) by the expiry of the Relevant Period.
- (b) Pental acknowledges and agrees that each successive material modification of any actual, proposed or potential Competing Transaction will constitute a new actual, proposed or potential Competing Transaction for the purposes of the requirements under this clause 11.6 and accordingly Pental must comply with paragraphs (i) to (ii) of this clause in respect of any new actual, proposed or potential Competing Transaction unless paragraphs (iii) to (vii) (inclusive) have been

complied with in respect of the new actual, proposed or potential Competing Transaction.

- (c) If Perpetual proposes to Pental, or announces, amendments to the Scheme or a new proposal that are superior to or no less favourable overall to the terms of the actual, proposed or potential Competing Transaction (**Bidder Counterproposal**) by the expiry of the 5 Business Day period in clause 11.6(a)(vi), Pental must procure that the Pental Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Pental Shareholders as a whole compared with the Competing Transaction, taking into account all of the terms and conditions of the Bidder Counterproposal, and Pental and Perpetual must use their best endeavours to agree the amendments to this document and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and Pental must use its best endeavours to procure that each of the directors of Pental continues to recommend the Transaction (as modified by the Bidder Counterproposal) to Pental Shareholders.

11.7 Provision of information

During the Exclusivity Period, Pental must as soon as possible provide Perpetual with:

- (a) in the case of written materials, a copy of; and
- (b) in any other case, a written statement of,

any material non-public information about the business or affairs of Pental or the Pental Group disclosed or otherwise provided to any Third Party during the Exclusivity Period in connection with an actual, proposed or potential Competing Transaction that has not previously been provided to Perpetual. For the avoidance of doubt, any such provision of information to a Third Party may only be undertaken if permitted by clause 11.4 and clause 11.6.

11.8 Perpetual Exclusivity

- (a) **(No existing discussions)** Perpetual represents and warrants that, as at the date of this document:
- (i) neither it, nor any of its Related Bodies Corporate nor their Representatives is in negotiations, discussions or other communications with any person in respect of any actual, proposed or potential Perpetual Major Transaction or any transaction that would, or would reasonably be expected to, lead to a Perpetual Major Transaction; and
- (ii) it, any of its Related Bodies Corporate and their respective Representatives has ceased to provide or make available any non-public information in relation to the Perpetual Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Perpetual Major Transaction.
- (b) **(No-shop)** During the Exclusivity Period, Perpetual must ensure that neither it nor any of its Related Bodies Corporate or Representatives directly or indirectly:
- (i) solicits, encourages, invites or initiates from any other person any inquiry, offer, expression of interest, proposal or transaction

in relation to, or with a view to obtaining, or that may be reasonably expected to lead to a Perpetual Major Transaction;
or

- (ii) communicates any intention to do any of these things.

Nothing in this clause 11.8(b) prevents Perpetual from continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course of its business generally.

- (c) **(No talk)** Subject to clause 11.8(d), during the Exclusivity Period, Perpetual must ensure that neither it nor any of its Related Bodies Corporate or Representatives directly or indirectly:

- (i) enter into, participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make or which would reasonably be expected to encourage or lead to the making of an actual, proposed or potential Perpetual Major Transaction;
- (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding, or which would reasonably be expected to lead to, an actual, proposed or potential Perpetual Major Transaction;
- (iii) disclose or otherwise provide access to any non-public information about the business or affairs of the Perpetual Group or permit access to employees or officers of Perpetual or its Related Bodies Corporate to a Third Party (or a Representative of the Third Party) who has submitted, or might reasonably be expected to submit, a proposal for a transaction which is reasonably likely to result in a Perpetual Major Transaction, or to any Third Party (or a Representative of the Third Party) with a view to obtaining or which would reasonably be expected to encourage or lead to receipt of an actual, proposed or potential Perpetual Major Transaction (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of the Perpetual Group);
or
- (iv) **(intention)** communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 11.8(c).

Nothing in this clause 11.8 prevents Perpetual from continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course of its business generally.

- (d) Clause 11.8(c) does not apply to the extent that it restricts Perpetual or its Related Persons in relation to an actual, proposed or potential bona fide Perpetual Major Transaction provided that such Perpetual Major Transaction has not arisen as a result of breach of clause 11.8(b), and the Perpetual Board, acting in good faith, has determined after receiving written advice from Perpetual's reputable external Australian legal advisers specialising in the area of corporate law that compliance with clause 11.8(c) would, or would be reasonably likely to, constitute a

breach of any of the fiduciary or statutory duties of the directors of Perpetual.

- (e) **(Notification of Perpetual approaches)** During the Perpetual Exclusivity Period, if Perpetual receives (i) an approach regarding any actual, proposed or potential Perpetual Major Transaction from a third party or (ii) a member of the Perpetual Board, the company secretary or other group executive or Perpetual's Financial Advisors becomes aware of any negotiations or discussions in relation to, or any approaches or attempts to initiate any negotiations or discussions in relation to an actual, proposed or potential Perpetual Major Transaction, Perpetual must as soon as practicable (and in any event within 24 hours) give Pental notice of:
- (i) the existence of the actual, proposed or potential Perpetual Major Transaction, discussions or approach;
 - (ii) to the extent known to Perpetual or its Representatives, all material terms and conditions of the actual, proposed or potential Perpetual Major Transaction (including details of the proposed price and form of consideration, deal protection mechanisms and timetable, the form of funding for the Perpetual Major Transaction and any conditions thereto), and any subsequent material modifications or, developments (which must be provided as soon as practicable (and in any event within 24 hours of the modification or development));
 - (iii) the identity of the person making the proposal (and, if different, details of the proposed bidder or acquirer); and
 - (iv) any determination by Perpetual that it can rely on clause 11.8(d) in relation to any action or inaction relating to the actual, proposed or potential Perpetual Major Transaction, discussions or approach.
- (f) **(Breach in connection with Perpetual Major Transaction)** For the avoidance of doubt, Perpetual is not entitled to terminate this document in order to pursue, agree or implement a Perpetual Major Transaction. If Perpetual breaches this document in a manner which causes implementation of the Scheme to become impossible or impracticable, or otherwise materially breaches this document in order to pursue, agree or implement a Perpetual Major Transaction, Perpetual must pay to Pental the Liquidated Damages Amount by way of liquidated damages, even if Perpetual's Board determined that the breach was required in order to fulfil the fiduciary or statutory duties of the directors of Perpetual. The parties agree that the loss which would be incurred by Pental as a result of that breach are of a nature that they cannot be accurately quantified and that the Liquidated Damages Amount is a genuine pre-estimate of that loss. Nothing in this clause limits Pental's right to terminate this document under clause 16 which might arise as a result of any breach to which this clause relates.

12 Reimbursement Fee

12.1 Background to Reimbursement Fee

- (a) Perpetual and Pental acknowledge that, if they enter into this document and the Scheme is subsequently not implemented, Perpetual will have incurred significant costs, including those set out in clause 12.4.

- (b) In these circumstances, Perpetual has requested that provision be made for the payments outlined in clause 12.2, without which Perpetual would not have entered into this document or otherwise agreed to implement the Scheme.
- (c) The Pental Board believes, having taken advice from its legal advisors and Financial Advisors, that the implementation of the Scheme will provide benefits to Pental and that it is appropriate for Pental to agree to the payments referred to in clause 12.2 in order to secure Perpetual's participation in the Transaction.

12.2 Reimbursement Fee triggers

Pental must pay the Reimbursement Fee to Perpetual, without set-off or withholding, if the Scheme does not proceed because:

- (a) **(change of recommendation)** this document is validly terminated after any Pental Director fails to recommend the Scheme or withdraws their recommendation, adversely changes or qualifies their recommendation or otherwise makes a public statement indicating that he or she no longer supports the Scheme, except where:
 - (i) the change of recommendation or statement is made after the Independent Expert concludes (including in any addendum or update to its initial report) that in the opinion of the Independent Expert the Scheme is not in the best interests of Pental Shareholders (other than where a Competing Transaction has been proposed or announced before the report (or addendum or update to the initial report) is issued which the Independent Expert may reasonably regard to be on more favourable terms than the Transaction); or
 - (ii) Pental is entitled to terminate this document in accordance with clause 16.1(b)(iii) (material breach of document) or 16.1(b)(iv) (material breach of warranty by Perpetual) or 16.1(b)(vii) (Perpetual Material Adverse Change or Perpetual Prescribed Event) and has given the appropriate termination notice to Perpetual;
- (b) **(Competing Transaction)** a Competing Transaction of any kind is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and, within twelve months of the date of such announcement, the Third Party proposing the Competing Transaction or any Associate of that Third Party:
 - (i) completes a Competing Transaction; or
 - (ii) without limiting clause 12.2(b)(i), acquires Control of Pental; or
- (c) **(termination)** Perpetual has validly terminated this document pursuant to:
 - (i) clause 16.1(b)(iii) (material breach of document);
 - (ii) clause 16.1(b)(v) (material breach of warranty by Pental); or
 - (iii) clause 16.1(b)(vi) only in respect of a Pental Prescribed Event (other than paragraphs 21 and 26 of Schedule 2) to the extent that the relevant Pental Prescribed Event was caused by actions or events within the control of Pental or any of its Subsidiaries,

and the Transaction does not complete.

12.3 Timing of payment of Reimbursement Fee

- (a) A demand by Perpetual for payment of the Reimbursement Fee under clause 12.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Perpetual into which Pental is to pay the Reimbursement Fee.
- (b) Pental must pay the Reimbursement Fee into the account nominated by Perpetual, without set-off or withholding, within five Business Days after receiving a demand for payment where Perpetual is entitled under clause 12.2 to the Reimbursement Fee.

12.4 Nature of payment

The Reimbursement Fee is an amount to compensate Perpetual for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Perpetual's management from conducting Perpetual's business as usual caused by pursuing the Scheme;
- (e) reasonable opportunity costs incurred by Perpetual in pursuing the Scheme or in not pursuing strategic initiatives which Perpetual could have developed to further its business and objectives; and
- (f) damage to Perpetual's reputation associated with a failed transaction and the implications of that damage to Perpetual's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the Reimbursement Fee.

12.5 Compliance with law

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the Reimbursement Fee:

- (a) is unlawful or would if performed be unlawful;
- (b) involves a breach of the duties of the Pental Board; or
- (c) constitutes unacceptable circumstances within the meaning of the Corporations Act,

then Pental's obligation to pay the applicable amount or part of the Reimbursement Fee does not apply and if Perpetual has received any part of the Reimbursement Fee it must refund it within 5 Business Days of final

determination. However, for the avoidance of doubt, this will not alter Pental's obligation to pay Perpetual any part of the Reimbursement Fee which has not been held to be invalid in accordance with this clause.

The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in this clause 12.5.

12.6 Reimbursement Fee payable only once

Where the Reimbursement Fee becomes payable to Perpetual under clause 12.2 and is actually paid to Perpetual, Perpetual cannot make any claim against Pental for payment of any subsequent Reimbursement Fee.

12.7 Reduction in amount payable

- (a) The amount payable by Pental to Perpetual under clause 12.2 is reduced by an amount equal to the amount which is recovered by Perpetual as a result of a claim against Pental pursuant to any other remedies available to Perpetual under this document including pursuant to clause 14.1.
- (b) Where the amount payable by Pental to Perpetual under clause 12.2 has already been paid, Perpetual must, within two Business Days of the event contemplated by clause 12.7(a) which would have reduced the amount payable, refund an amount to Pental which is equivalent to that calculated under clause 12.7(a).

12.8 Pental's limitation of Liability

Notwithstanding any other provision of this document:

- (a) the maximum liability of Pental to Perpetual under or in connection with this document including in respect of any breach of the document will be the amount of the Reimbursement Fee; and
- (b) the maximum liability amount referred to in clause 12.8(a) represents the maximum and absolute amount of the liability of Pental under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by Pental in connection with this document.

Nothing in this clause 12.8 limits the liability of any party for fraud.

12.9 No Reimbursement Fee if Scheme Effective

Despite anything to the contrary in this document, the Reimbursement Fee will not be payable to Perpetual if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 12.2 and, if the Reimbursement Fee has already been paid it must be refunded by Perpetual.

13 Reverse Reimbursement Fee

13.1 Background

This clause has been agreed in circumstances where:

- (a) Perpetual and Pental believe that the Scheme and the combination of the existing Perpetual and Pental businesses as operated at the date of this document will provide significant benefits to Perpetual, Pental and their respective shareholders, and Perpetual and Pental acknowledge that, if they enter into this document and the Scheme is subsequently not

implemented, Pental and Pental Shareholders will incur significant costs including those set out in clause 13.4;

- (b) Pental requested that provision be made for the payment of the Reverse Reimbursement Fee, without which Pental would not have entered into this document;
- (c) both the Perpetual Board and Pental Board believe that it is appropriate for both parties to agree to the payment referred to in this clause to secure Pental's participation in the Scheme; and
- (d) both parties have received legal advice on this document and the operation of this clause.

13.2 Payment by Perpetual to Pental

Perpetual agrees to pay the Reverse Reimbursement Fee to Pental without withholding or set off if the Scheme does not proceed because:

- (a) **(termination)** Pental has validly terminated this document pursuant to:
 - (i) clause 16.1(b)(iii) (material breach of document);
 - (ii) clause 16.1(b)(iv) (material breach of warranty by Pental); or
 - (iii) clause 16.1(b)(vii) only in respect of a Perpetual Prescribed Event (other than paragraph 13 of Schedule 1) to the extent that the relevant Perpetual Prescribed Event was caused by actions or events within the control of Perpetual or any of its Subsidiaries; or
- (b) **(failure to pay Scheme Consideration)** Perpetual does not pay the aggregate Scheme Consideration in accordance with the terms and conditions of this document, the Scheme and the Deed Poll (following the Scheme becoming Effective).

13.3 Timing of payment

- (a) A demand by Pental for payment of the Reverse Reimbursement Fee under clause 13.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Pental into which Perpetual must pay the Reverse Reimbursement Fee.
- (b) Perpetual must pay the Reverse Reimbursement Fee to Pental without withholding or set off within 5 Business Days of receipt by Perpetual of a valid demand for payment from Pental under clause 13.3(a).
- (c) The demand may only be made after the occurrence of an event referred to in clause 13.2.

13.4 Nature of payment

The Reverse Reimbursement Fee is an amount to compensate Pental for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Pental's management from conducting Pental's business as usual caused by pursuing the Scheme;
- (e) reasonable opportunity costs incurred by Pental in pursuing the Scheme or in not pursuing strategic initiatives which Pental could have developed to further its business and objectives; and
- (f) damage to Pental's reputation associated with a failed transaction and the implications of that damage to Pental's business.

The parties agree that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the Reverse Reimbursement Fee.

13.5 Compliance with law

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the Reverse Reimbursement Fee:

- (a) is unlawful or would if performed be unlawful;
- (b) involves a breach of the duties of the Perpetual Board; or
- (c) constitutes unacceptable circumstances within the meaning of the Corporations Act,

then Perpetual's obligation to pay the applicable amount or part of the Reverse Reimbursement Fee does not apply and if Pental has received any part of the Reverse Reimbursement Fee it must refund it within 5 Business Days of final determination. However, for the avoidance of doubt, this will not alter Perpetual's obligation to pay Pental any part of the Reverse Reimbursement Fee which has not been held to be invalid in accordance with this clause.

The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in this clause 12.5.

13.6 Reverse Reimbursement Fee payable only once

Where the Reverse Reimbursement Fee becomes payable to Pental under clause 12.2 and is actually paid to Pental, Pental cannot make any claim against Perpetual for payment of any subsequent Reverse Reimbursement Fee.

13.7 Reduction in amount payable

- (a) The Reverse Reimbursement Fee is reduced by an amount equal to the amount which is recovered by Pental as a result of a claim against Perpetual pursuant to any other remedies available to Pental under this document including pursuant to clause 14.1.
- (b) Where the Reverse Reimbursement Fee has already been paid, Pental must, within 2 Business Days of the event contemplated by clause 13.7(a) which would have reduced the amount payable, refund an amount to Perpetual which is equivalent to that calculated under clause 13.7(a).

13.8 Perpetual's limitation of liability

Notwithstanding any other provision of this document:

- (a) the maximum liability of Perpetual to Pandal under or in connection with this document including in respect of any breach of this document will be the amount of the Reverse Reimbursement Fee; and
- (b) the payment by Perpetual of the Reverse Reimbursement Fee represents the sole and absolute liability of Perpetual under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by Perpetual under or in connection with this document,

except that nothing in this clause limits Perpetual's liability for fraud or following the Scheme becoming Effective, a breach of clause 4.1(c) or under the Deed Poll.

13.9 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 13.2, if the Scheme becomes Effective:

- (a) no amount is payable by Perpetual under clause 13.2; and
- (b) if any amount has already been paid under clause 13.2 it must be refunded by Pandal.

- (c) is given with the intention that liability under it is not confined to breaches that are discovered before the date of the termination of this document.

15 Court proceedings

18 GST

- (a) Any consideration or amount payable under or in connection with this document, including any non-monetary consideration (as reduced in accordance with clause 18(e) if required) (**Consideration**) is exclusive of GST.
- (b) If GST is or becomes payable on a Supply made under or in connection with this document, an additional amount (**Additional Amount**) is payable by the party providing consideration for the Supply (**Recipient**) equal to the amount of GST payable on that Supply as calculated by the party making the Supply (**Supplier**) in accordance with the GST Law.

- (c) The Additional Amount payable under clause 18(b) is payable at the same time and in the same manner as the Consideration for the Supply, and the Supplier must provide the Recipient with a Tax Invoice. However, the Additional Amount is only payable on receipt of a valid Tax Invoice.
- (d) If for any reason (including the occurrence of an Adjustment Event) the amount of GST payable on a Supply (taking into account any Decreasing or Increasing Adjustments in relation to the Supply) varies from the Additional Amount payable by the Recipient under clause 18(b):
 - (i) the Supplier must provide a refund or credit to the Recipient, or the Recipient must pay a further amount to the Supplier, as appropriate;
 - (ii) the refund, credit or further amount (as the case may be) will be calculated by the Supplier in accordance with the GST Law; and
 - (iii) the Supplier must notify the Recipient of the refund, credit or further amount within 14 days after becoming aware of the variation to the amount of GST payable. Any refund or credit must accompany such notification or the Recipient must pay any further amount within 7 days after receiving such notification, as appropriate. If there is an Adjustment Event in relation to the Supply, the requirement for the Supplier to notify the Recipient will be satisfied by the Supplier issuing to the Recipient an Adjustment Note within 14 days after becoming aware of the occurrence of the Adjustment Event.
- (e) Despite any other provision in this document if an amount payable under or in connection with this document (whether by way of reimbursement, indemnity or otherwise) is calculated by reference to an amount incurred by a party, whether by way of cost, expense, outlay, disbursement or otherwise (**Amount Incurred**), the amount payable must be reduced by the amount of any Input Tax Credit or Reduced Input Tax Credit to which that party is entitled in respect of that Amount Incurred.
- (f) Any reference in this clause to an Input Tax Credit or Reduced Input Tax Credit to which a party is entitled includes an Input Tax Credit or Reduced Input Tax Credit arising from an Acquisition by that party but to which the Representative Member of a GST Group of which the party is a member is entitled.
- (g) Any term starting with a capital letter in this clause 18 that is not defined in this document has the same meaning as the term has in the *A New Tax System (Goods & Services Tax) Act 1999* (Cth).

- (b) The Sale Facility will only be available in respect of Perpetual Shares provided to the Sale Agent in the circumstances referred to in clause 6.7(a). Any purported election by a Scheme Shareholder to participate in the Sale Facility in any other circumstance will, unless Perpetual elects otherwise, be invalid and not recognised for any purpose.
- (c) Perpetual must procure that as soon as practicable after the Implementation Date, the Sale Agent, in consultation with Perpetual, sells or procures the sale of all the Sale Securities in such manner, at such price or prices and on such other terms as the Sale Agent determines in good faith, and remits to Pental the proceeds of the sale (if applicable, converted into Australian dollars in such manner, at such price or prices and on such other terms as the Sale Agent determines in good faith) (**Gross Proceeds**).

- (i) in the case of an Ineligible Foreign Shareholder or a Scheme Shareholder who is deemed to have made the election in clause 6.1(b), the scrip component of that Selling Scheme Shareholder's Scheme Consideration; and
 - (ii) otherwise, any entitlement to a fraction of a Perpetual Share comprising part of the scrip component of that Selling Scheme Shareholders' Scheme Consideration.
- (j) Where the provision of Perpetual Shares to which a Scheme Shareholder would otherwise be entitled under this Scheme would result in a breach of law:
- (i) Perpetual will provide the maximum possible number of Perpetual Shares to the Scheme Shareholder without giving rise to such a breach; and
 - (ii) any further Perpetual Shares to which that Scheme Shareholder is entitled, but the provision of which to the Scheme Shareholder would give rise to such a breach, will instead be provided to the Sale Agent and dealt with under the preceding provisions in this clause 6.7, as if a reference to Selling Scheme Shareholders also included that Scheme Shareholder and references to that person's Perpetual Shares in that clause were limited to the Perpetual Shares provided to the Sale Agent under this clause.

- (a) subject to clause 6.9(c), any amount comprising the cash component of the Scheme Consideration payable in respect of those Scheme Shares is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Pental, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders;
- (b) any New Perpetual Shares to be provided under this Scheme must be provided to and registered in the names of the joint holders; and
- (c) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Pental, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders.

6.12 Unclaimed monies

- (a) Pental may cancel a cheque issued under this clause 6 if the cheque:
 - (i) is returned to Pental; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Pental (or the Pental Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Pental must reissue a cheque that was previously cancelled under this clause 6.12.
- (c) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 and 8 of the *Unclaimed Money Act 1995* (NSW)).

6.13 Orders of a court or Government Agency

If written notice is given to Pental (or the Pental Registry) of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be provided to that Scheme Shareholder by Pental in accordance with this clause 6, then Pental shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Pental from providing consideration to any particular Scheme Shareholder in accordance with clause 6, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Pental shall be entitled to (as applicable):
 - (i) retain an amount, in Australian dollars, equal to the cash component of the Scheme Consideration to which that Scheme Shareholder would otherwise be entitled to under this clause 6; and

- (ii) direct Perpetual not to issue, or to provide to a trustee or nominee, such number of New Perpetual Shares as that Scheme Shareholder would otherwise be entitled to under this clause 6,

until such time as provision of the consideration in accordance with this clause 6 is permitted by that order or direction or otherwise by law.

6.14 Status of Perpetual Shares

Subject to this Scheme becoming Effective, Perpetual must:

- (a) issue the New Perpetual Shares required to be issued by it under this Scheme on terms such that each such New Perpetual Share will rank equally in all respects with each existing Perpetual Share;
- (b) ensure that each such New Perpetual Share is duly and validly issued in accordance with all applicable laws and Perpetual's constituent documents, fully paid and free from any mortgage, charge, lien, encumbrance or other security interest (except for any lien arising under Perpetual's constituent documents); and
- (c) use all reasonable endeavours to ensure that such New Perpetual Shares are, from the Business Day following the date this Scheme becomes Effective (or such later date as ASX requires), quoted for trading on the ASX initially on a deferred settlement basis and thereafter on an ordinary settlement basis.

6.15 Total Scheme Consideration

To avoid doubt and notwithstanding any other provision of this Scheme, no more than a total of the Total Cash Pool and a total of the Total Scrip Pool (collectively, the **Total Scheme Consideration**) will be provided by Perpetual as Scheme Consideration, and if for any reason a greater total amount or total number of Perpetual Shares would (but for this clause 6.15) be required to be provided by Perpetual under this Scheme, the requirement (or requirements) for provision of the same will be reduced (in such manner as Pental and Perpetual consider equitable) to ensure that no more than the Total Scheme Consideration is provided.

7 Dealings in Pental Shares

7.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Pental Shares or other alterations to the Share Register will only be recognised by Pental if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant Pental Shares on or before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received on or before the Scheme Record Date at the place where the Share Register is kept,

and Pental must not accept for registration, nor recognise for any purpose (except a transfer to Perpetual Sub pursuant to this Scheme and any subsequent transfer by Perpetual Sub or its successors in title), any transfer or transmission

application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

7.2 Register

- (a) Pental must register registrable transmission applications or transfers of the Scheme Shares in accordance with clause 7.1(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 7.2(a) requires Pental to register a transfer that would result in a Pental Shareholder holding a parcel of Pental Shares that is less than a 'marketable parcel' (for the purposes of this clause 7.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them on or after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Pental shall be entitled to disregard any such disposal.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Pental must maintain the Share Register in accordance with the provisions of this clause 7.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Pental Shares (other than statements of holding in favour of Perpetual Sub or any Excluded Shareholders) will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries on the Share Register in respect of Perpetual Sub or any Excluded Shareholder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Pental Shares relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event within one Business Day after the Scheme Record Date, Pental will ensure that details of the names, Registered Addresses and holdings of Pental Shares for each Scheme Shareholder as shown in the Share Register are available to Perpetual in the form Perpetual reasonably requires.

8 Quotation of Pental Shares

- (a) Pental must apply to ASX to suspend trading on the ASX in Pental Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by Perpetual, Pental must apply:
 - (i) for termination of the official quotation of Pental Shares on the ASX; and
 - (ii) to have itself removed from the official list of the ASX.

9 General Scheme provisions

9.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Pental may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which Perpetual has consented; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Pental has consented to.

9.2 Scheme Shareholders' agreements and warranties

- (a) Each Scheme Shareholder:
 - (i) agrees to the transfer of their Pental Shares together with all rights and entitlements attaching to those Pental Shares in accordance with this Scheme;
 - (ii) agrees to the variation, cancellation or modification of the rights attached to their Pental Shares constituted by or resulting from this Scheme;
 - (iii) agrees to, on the direction of Perpetual, destroy any share certificates relating to their Pental Shares;
 - (iv) agrees to become a member of Perpetual and to be bound by the terms of Perpetual's constituent documents; and
 - (v) acknowledges that this Scheme binds Pental and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting).
- (b) Each Scheme Shareholder is taken to have warranted to Pental and Perpetual and Perpetual Sub on the Implementation Date, and appointed and authorised Pental as its attorney and agent to warrant to Perpetual and Perpetual Sub on the Implementation Date, that all their Pental Shares (including any rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind, and that they have full power and capacity to transfer their Pental Shares to Perpetual Sub together with any rights and entitlements attaching to those shares. Pental undertakes that it will provide such warranty to Perpetual Sub as agent and attorney of each Scheme Shareholder.

9.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Perpetual Sub will, at the time of transfer of them to Perpetual Sub, vest in Perpetual Sub free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind,

whether legal or otherwise and free from any restrictions on transfer of any kind.

- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 6, Perpetual Sub will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Pandal of Perpetual Sub in the Share Register as the holder of the Scheme Shares.

9.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 6, and until Pandal registers Perpetual Sub as the holder of all Scheme Shares in the Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed Perpetual Sub as attorney and agent (and directed Perpetual Sub in each such capacity) to appoint any director, officer, secretary or agent nominated by Perpetual Sub as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 9.4(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as Perpetual Sub reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 9.4(a), Perpetual Sub and any director, officer, secretary or agent nominated by Perpetual Sub under clause 9.4(a) may act in the best interests of Perpetual Sub as the intended registered holder of the Scheme Shares.

9.5 Authority given to Pandal

Each Scheme Shareholder, without the need for any further act:

- (a) on the Effective Date, irrevocably appoints Pandal and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against Perpetual Sub, and Pandal undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against Perpetual Sub on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) on the Implementation Date, irrevocably appoints Pandal and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation) executing the Scheme Transfer,

and Pandal accepts each such appointment. Pandal as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 9.5 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

9.6 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Pandal binding or deemed binding between the Scheme Shareholder and Pandal relating to Pandal or Pandal Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Pandal Shares; and
- (c) notices or other communications from Pandal (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Perpetual in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to Perpetual and to be a binding instruction, notification or election to, and accepted by, Perpetual in respect of the New Perpetual Shares provided to that Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to Perpetual at its registry.

9.7 Binding effect of Scheme

This Scheme binds Pandal and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Pandal.

10 General

10.1 Stamp duty

Perpetual will:

- (a) pay all stamp duty and any related fines, penalties and interest in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under this Scheme and the Deed Poll; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with clause 10.1(a).

10.2 Consent

Each of the Scheme Shareholders consents to Pandal doing all things necessary or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Pandal or otherwise.

10.3 Notices

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Pandal, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Pandal's registered office or at the office of the Pandal Registry.

- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Pandal Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10.4 Governing law

- (a) This Scheme is governed by the laws in force in New South Wales.
- (b) The parties irrevocably submit to the non-exclusive jurisdiction of courts exercising jurisdiction in New South Wales and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

10.5 Further action

Pandal must do all things and execute all documents necessary to give full effect to this Scheme and the transactions contemplated by it.

10.6 No liability when acting in good faith

Each Scheme Shareholder agrees that neither Pandal, Perpetual, Perpetual Sub nor any director, officer, secretary or employee of any of those companies shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

1 Definitions and interpretation

1.1 Definitions

Unless the contrary intention appears, these meanings apply:

Authorised Officer means a director or secretary of a party or any other person nominated by a party to act as an Authorised Officer for the purposes of this document.

Implementation Deed means the scheme implementation deed dated [●] between Perpetual and Pental under which, amongst other things, Pental has agreed to propose the Scheme to Pental Shareholders, and each of Perpetual and Pental has agreed to take certain steps to give effect to the Scheme.

Insolvent has the meaning given to it in the Implementation Deed.

Scheme means the proposed scheme of arrangement between Pental and Scheme Shareholders under which all the Scheme Shares will be transferred to Perpetual Sub under Part 5.1 of the Corporations Act, substantially in the form of Annexure A to this deed poll, or as otherwise agreed by Perpetual and Pental, subject to any amendments or conditions made or required by the Court pursuant to section 411(6) of the Corporations Act, to the extent they are approved in writing by Perpetual and Pental in accordance with clause 9 of the Scheme.

All other words and phrases used in this document have the same meaning as given to them in the Scheme.

1.2 General interpretation

Clause 2 of the Scheme applies to this document.

1.3 Nature of deed poll

Perpetual and Perpetual Sub acknowledges that this document may be relied on and enforced by any Scheme Shareholder in accordance with its terms even though the Scheme Shareholders are not a party to it.

2 Conditions precedent and termination

2.1 Conditions precedent

Perpetual's and Perpetual Sub's obligations under this document are subject to the Scheme becoming Effective.

2.2 Termination

Perpetual's and Perpetual Sub's obligations under this document will automatically terminate and the terms of this document will be of no further force or effect if:

- (a) the Scheme has not become Effective on or before the End Date; or

- (b) the Implementation Deed is terminated in accordance with its terms.

2.3 Consequences of termination

If this document is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to Scheme Shareholders:

- (a) each of Perpetual and Perpetual Sub is released from their obligations to further perform this document; and
- (b) each Scheme Shareholder retains the rights, powers or remedies they have against Perpetual and Perpetual Sub in respect of any breach of this document which occurs before it is terminated.

3 Performance of obligations generally

Subject to clause 2, Perpetual must comply with its obligations under the Implementation Deed, subject to its terms and conditions, and do all acts and things necessary on its part to implement the Scheme.

4 Scheme Consideration

4.1 Scheme Consideration

Subject to clause 2, Perpetual and Perpetual Sub undertake in favour of each Scheme Shareholder to provide, or procure the provision of, the Scheme Consideration to each Scheme Shareholder in accordance with the terms of the Scheme, and to undertake all other actions attributed to it under the Scheme.

4.2 Manner of payment

Perpetual and Perpetual Sub's obligation to provide the Scheme Consideration to Pental on behalf of each Scheme Shareholder under clause 4.1 is satisfied by Perpetual or Perpetual Sub:

- (a) no later than the Business Day before the Implementation Date, depositing, or procuring the deposit of, in immediately available funds an amount equal to the aggregate amount of the cash component of the Scheme Consideration payable to all Scheme Shareholders under the Scheme into an Australian dollar denominated trust account with an authorised deposit taking institution (as defined in the *Banking Act 1959* (Cth)) operated by Pental as trustee for the Scheme Shareholders, except that any interest on the amounts deposited (less bank fees and other charges) will be credited to Perpetual's account; and
- (b) issuing, on or before the Implementation Date, the New Perpetual Shares required to be issued under the Scheme and procuring that the name and address of each such Scheme Shareholder is entered in the Perpetual Registry in respect of those New Perpetual Shares,

subject to and in accordance with the terms of the Scheme.

4.3 Shares to rank equally

Perpetual covenants in favour of each Scheme Shareholder that the New Perpetual Shares which are issued in accordance with the Scheme will:

- (a) rank equally with all existing Perpetual Shares; and
- (b) be issued fully paid and free from any mortgage, charge, lien, encumbrance or other security interest.

4.4 Joint holders

In the case of Scheme Shares held in joint names any bank cheque required to be paid to Scheme Shareholders by Perpetual must be payable to the joint holders and be forwarded to the holder whose name appears first in the Share Register as at the Scheme Record Date.

5 Representations and warranties

Each of Perpetual and Perpetual Sub represents and warrants that:

A provision of this document or any right created under it may not be varied, altered or otherwise amended unless:

- (a) the variation is agreed to by Pandal and Perpetual in writing; and
- (b) the Court indicates that the variation, alteration or amendment would not itself preclude approval of the Scheme,

in which event Perpetual must enter into a further deed poll in favour of the Scheme Shareholders giving effect to the variation, alteration or amendment.

9.2 Partial exercising of rights

Unless this document expressly states otherwise, if Perpetual does not exercise a right, power or remedy in connection with this document fully or at a given time, it may still exercise it later.

9.3 Remedies cumulative
